EDMONTON, ALBERTA, TUESDAY, AUGUST 4, 1953

per copy

Council To Expropriate Lands For Highway Construction

MEANOOK—The June sitting of the Municipal Council of Athabasca took place on June 11 and 16. During the first day's sitting, among other things, council decided to expropriate certain areas of land bordering Sec. 13-66-18-4 for road allowances.

Details of the land expropriated will be found in the excerpts of the minutes of this meeting which follow:

Present were Reeve Aloisio, Councillors Botten, Breckenridge, Lynk, Wright, Derko and Doroshenko.

The meeting was called to order by the Reeve at 10:40 a.m.

Minutes

The minutes of the previous regular meeting of May 12, 14 and 23, 1953, were read to the council by the secretary-treasurer.

Moved by Councillor Breckenridge that the minutes of the previous regular meeting of May 12, 14 and 23, 1953, be adopted as read. Carried.

Aanski Road

Councillor Botten reported that he had made arrangements with Mr. Tanski to make a ditch and cover the corduroy, for the sum of \$50.00.

Financial Statement

The financial statement for the month of May, 1953, was read to the council by the secretary-treasurer, and ordered filed.

Policeman

Mr. Bianchini of Edmonton, interviewed the council re the position of municipal constable. He stated he had had considerable experience in the army police for five years, and was at present employed in Edmonton at a salary of \$2,900.00 per year. The matter was discussed by the council, and it was decided to leave the matter over until this afternoon.

Moved by Reeve Aloisio that the meeting adjourn for dinner 12:10 p.m. Carried.

The meeting re-convened at 1:20 p.m.

Kominski

Andrew Kominski interviewed the council re the F. Cockrall house on the old highway, stating he wished to buy it. He was informed council did not own it.

Dorosh Road

N. Dorosh interviewed the council re ¼ mile of road to his farm, stating ¼ mile is corduroyed and needs to be covered. A discussion took place re same, and the following motion was passed.

Moved by Councillor Breckenridge that Councillor Botten spend a total of \$500.00 on the Dorosh road this year, \$300.00 to come from Division one, and the balance of \$200.00 be donated.

By-Law No 294

Moved by Councillor Derko that council expropriate the following lands for use as roads: 33 feet from the South side of the N.E. 13-66-18-4; 33 feet from the North side of the S.E. 13-66-18-4; 33 feet from the North side of the S.W. 13-66-18-4; and 66 feet on the South side of the N.W. 13-66-18-4, and that we offer the owners of the N.E. 13, S.E. 13 and S.W. 13-66-18-4, a sum equal to 2½ times the assessed value of the land, (the owner of the N.W. 13-66-18-4 has agreed to donate the land free of all costs) as compensation for the land taken and for damages. Carried.

By-law No. 294 of The Municipal District of Athabasca No. 193.

A by-law pursuant to Section 201 of The Municipal District Act.

WHEREAS it is deemed neces-

sary that a road be built through the N.E. 13, S.E. 13, S.W. 13, and N.W. 13-66-18-4, and whereas such road will necessarily cross private property, namely the above mentioned lands, therefore be, it resolved that such lands be acquired under Section 201 of The Municipal District Act, for the purpose hereinbefore mentioned, and that we offer the owners of the N.E. 13, S.E. 13 and S.W. 13-66-18-4, as compensation for the land taken, and for damages, a sum equal to 2½ times the assessed value for such land taken. (The owner of the N.W. 13-66-18-4 has agreed to donate the land free of all costs.)

Received first and second reading, and by unanimous consent of all the councillors present, a third reading, and finally passed this 11th day of June, A.D. 1953.

Bausman

Mr. Bausman interviewed the council and asked if there was a possibility of a joint meeting being held between the M.D. council and the hospital board, re the petition which was signed some time ago, asking for a \$1.00 per day rate in any hospital in the province. The Reeve stated there was an annual meeting every year, and that was the place for the discussion. The Reeve also stated he personally took the petition to the Minister but nothing was done about it. Mr. Bausman stated a ratepayer should be permitted to get to any hospital in the province, without being referred, and get the \$1.00 per day rate. The Reeve stated that Mr. Bausman has a letter from the Minister stating this cannot be done.

M.D. Sub-Convenation

Moved by Councillor Derko that the whole council attend the M.D. sub-convention at Edmonton, on Monday, June 15, 1953. Carried.

Pure Bred Sire Area

Supervisor Armfelt interviewed the council re the pure bred sire area, and the council gave him full authority to prosecute in all cases where scrub bulls are found.

Adjourn

Monday, June 15, 1953. Carried. the meeting adjourn at 7:00 p.m. until Tuesday, June 16, 1953. Carried.

Details of further business transacted by the council at this June sitting will be carried in the extracts of the minutes which will appear in next week's paper.

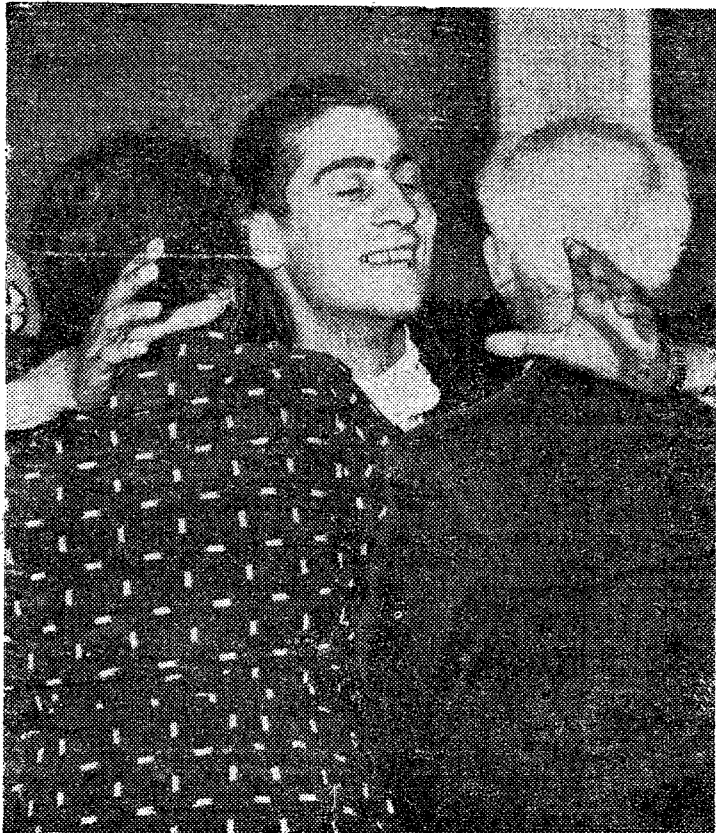

Grand Old Lady Resident Passes

PLAMONDON—On July 29, a grand old lady and real old timer, Mrs. Marguerite Duperron, aged 95, died peacefully at the home of Mr. and Mrs. Phil Johnson, where she had been making her home. Mrs. Duperron came here from Lake Lelangu forty years ago. Her husband, Julien Duperron, died in 1939.

To mourn her death, she has left six children, Dan and Wilfrid Duperron in B.C., Abraham, Mrs. Mary Boutin, Mrs. John Belanger and Mrs. M. Harpe at Traverse City, U.S.A. There are 65 grandchildren and great-grandchildren.

High mass and the service were by Rev. Father Ricard. Interment was in the Plamondon Cemetery.

FAMILY REUNION

SCENES LIKE THIS will be numerous in the forthcoming weeks with a truce signed in Korea. Shown in Pvt Charles Sacco of Guelph, Ont., a Korean veteran and prisoner-of-war who is being greeted by his parents on his return from the battle-torn country of Korea.

Lac la Biche Sea Cadet Camp Opens For Another Summer Season

The first week of the 1953 season at the sea cadet camp, Camp McGrane, Lac la Biche, has just been completed and in spite of a few rainy days, was very successful. Sea cadets from Wetaskiwin as well as the local boys attended this camp and at present the senior cadets are spending a week at the camp site to further improve the facilities.

All the ferrying between the camp and the home port of Lac la Biche was done by the Exeter training vessel of the corps and other cruises were made in order to give all the cadets as much sea time and practical seamanship as possible.

The Wetaskiwin Sea Cadets came to Lac la Biche with their commanding officer, Lieut. Chas. Baker, RCSC, Lieuts. Gleason and Edwards; the chairman of the Navy League Sea Cadet Committee, Mr. S. Perry, and Mr. J. Field, who stayed with the cadets at the camp.

Quite a few visitors attended the camp, among them Mayor L. Hall of Lac la Biche, who gave the assembled cadets a very practical talk. His Worship was accompanied by Mr. J. Williams of the local school board.

During the camp the cadets hauled rocks and gravel and the lighthouse was completed, which makes another addition on the shore line of the camp.

Thursday, July 30, was visitors' day at the camp, and both water and land sports were held. Mr. M. Maccagno assisted with the handling and keeping score of the various events. In the swimming competitions the senior race was won by Roger Langevin, with Ronnie Lloyd second and Tommy Maccagno third.

The senior long distance race was won by Hugh Maccagno. The junior swim was won by Johnny Maccagno, Leo Langevin second, Gerard Lemieux, Edmonton, third, and Neil McFaul, Wetaskiwin, fourth. The tread water endurance contest was tied between Ronnie Lloyd, Hugh Maccagno, Tommy Maccagno and Johnny Maccagno with the other contest-

ants dropping out.

In the land events the hammer throw was won by Gerald Varze, followed by Hugh Maccagno and Urban Richard. The senior three-legged race was won by the team of Urban Richard and Tommy Maccagno, with Ronnie Lloyd and Hugh Maccagno second. The junior event in this race was taken by Johnnie Maccagno and Leo Langevin, with Gerald Lemieux and Jim Field, Wetaskiwin, second, and Neil McFaul and Allan Tarnowski, both of Wetaskiwin, took third prize.

The senior javelin throw was won by Urban Richard, followed by Hughie Maccagno and Leopold Langevin. The junior throw was taken by Dale Fontian, Wetaskiwin; second Leo Langevin, and third, Jacques Bourassa.

A silver cup, donated by Wolstenholme Jewellery, Lac la Biche, was awarded for the cadet obtaining the most marks for the camp period. The marks were awarded for character, neatness, obedience and willingness to carry out the duties assigned to any cadet. This was won by Leopold Langevin and was presented to him at the end of the camp by the donor, Lieut. J. H. Wolstenholme, DCM, RCSC. Special awards of Navy League Sea Cadet crests were awarded to Leading Cadet R. Lloyd, who acted as camp PO, and to Roger Langevin and Hughie Maccagno for good work accomplished.

One very important member of the camp, and one of the most popular, was ex-Sgt. caterer J. B. Bouvier, now business man of Lac la Biche, who was the camp cook. The camp was under the direction of Rev. J. E. McCrane, commanding officer, Lac la Biche Sea Cadets.

Missing Plamondon Visitor Found In City

PLAMONDON—An eleven year old Calgary girl, Sharleen Bray, was located by RCMP Thursday in Edmonton, just 24 hours after she had disappeared while visiting relatives in Plamondon.

The girl had made her own way to the city, after visiting Plamondon relatives, and was apparently at the home of a friends in Edmonton.

Sharleen is the daughter of Cecil Bray of Calgary, presently stationed at the Wainwright camp with Lord Strathcona's Horse.

Lac la Biche Club Wins Tourney

The Lac La Biche Men's Baseball Team was once again victorious in taking first prize money of \$100. at the tournament staged at the Lakeview Stadium on Sunday, July 26. Three games were played with four teams participating.

The first game was between Bonnyville and Lac La Biche with a score of 2-0. The second game, Cold Lake vs. Wandering River, with a score of 9-2, and the final game between the winners of the first two games, Cold Lake and Lac La Biche, with a score of 4-2.

Enthusiastic crowds cheered and on occasion booed their own team when they figured that all was not exactly fair play, which all added up to an enjoyable Sunday afternoon of baseball.

During the week the local team travelled to Athabasca for the two day tournament and even though they did not win top honors, still remained in the running by bringing home the \$100. third prize money.

Wandering River out shined them all by taking the first prize of \$300. Athabasca second, getting the \$200. and Fair Haven fourth receiving \$50.00.

Bodies Taken From River

McMURRAY (BUP)—Bodies of two unidentified men were taken from the Athabasca River at Fort McMurray during the week-end.

The pair were believed to have been attempting to canoe down the river. One body was recovered Friday, and the other Saturday.

Banquet Honors District Agriculturist

PLAMONDON—A banquet supper was held on Thursday, July 29, at the Trio Cafe, in Plamondon in honor of Mr. S. Lore, the new district agriculturist for this district. Mr. F. Newcomb, director of extension department for the province, gave the welcoming address.

Among the distinguished guests present at the supper were Mr. and Mrs. George Godel, former district agriculturist for our district, and at present for Athabasca and Mr. Martin Schaub, president.

Also present were Willie Hamilton, Mike Hammar and Mr. McKaskill of Lac la Biche.

After the supper a general meeting was held in the Plamondon Community Hall. At least 150 attended. Mr. Newcomb gave a talk concerning the importance of increasing the production of the land. Mr. Lore spoke on livestock.

Frains News Briefs

Miss Edna Holowenko and Victoria Kolach have gone to Edmonton for a couple of days.

Lawrence Nahorney went to St. Paul to help his uncle, Dr. J. A. Melenchuk, build.

Mr. and Mrs. Carol Hruschuk and Nadie Hruschuk from Smoky Lake are visiting with Mr. and

Mrs. Tony Sawchuk. Mr. Hruschuk is doing the breaking for Tony.

Andrew Kadylo has gone back to Edmonton.

Mrs. Kolach had two days of holidays visiting with her best friend, Mrs. Tillie Shwetz.

Mrs. E. Sawchuk is visiting relatives at Peace River.

Mr. and Mrs. Dan Shwetz attended the wedding at Newbrook.

Noral News Briefs

Wilf Woychuk has returned from Comox where he attended Sea Cadet Camp. En route home he visited his sister, Catherine in Whalley, B.C.

Mrs. N. Popowich visited her sister, Mrs. Woychuk while enroute to New York.

Betty and Shirley Wasylenchuk are visiting at the Woychuk home.

Mr. and Mrs. Henson went to Vancouver with their sons Fred and Ray.

Milda Wentzel has left Noral and is now working in Vancouver.

Albert Hofflin is now employed in Champion, Alta.

Victor Hansen was home for a short visit.

Mr. Philip Lefave was relieving the foreman at Caslan.

Harold Holst traded his truck for a '51 Dodge.

Mrs. Woychuk and Mrs. Hofflin picked 10 cases of strawberries each at Jake Arret's place.

Lac la Biche News Briefs

Mr. and Mrs. Fred Warawa and Vicky attended a wedding at Smoky Lake.

Miss Vicky Warawa, an employee at Robinson's Store, is back at work after holidays.

On Tuesday evening friends of Mrs. G. Muir (nee Miss Dorothy Wolstenholme) gathered at the home of Mrs. T. Lett for a miscellaneous shower. Co-hostesses were Mrs. Mary Sawchuk and Miss A. Coutney.

Mr. and Mrs. I. Settles have returned from a holiday spent in Spokane, Portland and Vancouver. They motored to the coast via the States and returned the all-Canadian route. They visited with Mrs. Mary Settles, mother of Mr. Settles, who was critically ill at the time. Since their return home they have received word of the death of Mrs. Settles, whose body is being forwarded to Lac la Biche for funeral services.

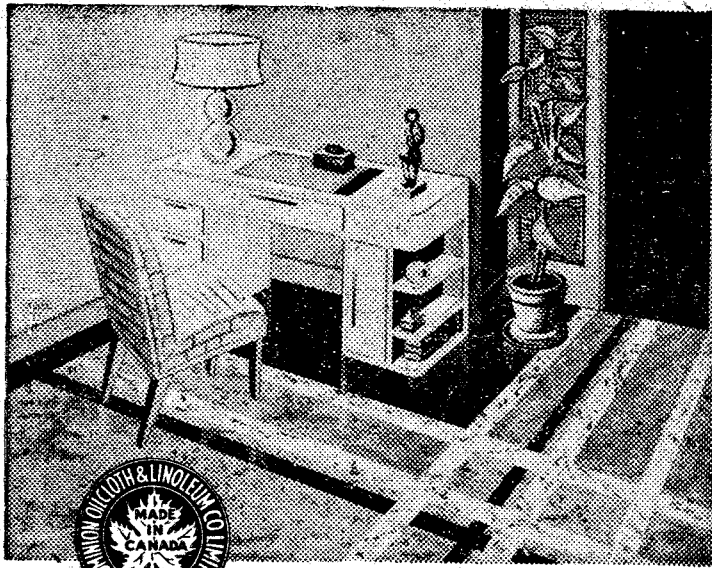

Mr. and Mrs. C. Hicks of Edmonton are visiting Mr. and Mrs. H. Robinson at their cottage at the Lac la Biche Mission Beach.

Mrs. J. Booker and children have returned after a holiday spent with Mr. and Mrs. H. D. Booker at Didsbury, Alberta.

CHAS. LEBAS

Says...

"DON'T BE A WORRY WART.
GET A STORAGE TANK AND
BE A HAPPY HARVESTER."

A worry wart is a fellow who's wondering if he'll have his supply of tractor fuel on hand when the rush of harvesting begins.

A happy harvester is a fellow who has a fuel storage tank and has it filled with the right tractor fuel. He's ready to start, fast, whenever his crops are right.

More than that—he's cutting down the fire hazard by storing fuel in a properly located tank. He's making sure that his tractor gets good, clean fuel... the kind that won't clog up in the carburetor.

So be a happy harvester. Get a storage tank and let us know as soon as you can what you'll be needing. We'll be out to see you the first time around.

Grassland News Briefs

Ted Leshchynsky, taking advantage of the absence of a municipal nurse, has been redecorating the nurses' home, both inside and out. The building has quite a smart appearance now. A new nurse is expected soon.

Mr. Pearce, Social Credit candidate in the coming federal election, held a meeting in the Community Hall, Saturday night, and a crowd of about fifty heard speeches by Mr. Aloisio and Mr. Lobay, as well as the candidate himself.

As a result of the Grassland Picnic, the coffers of the Community League were enriched, temporarily, by the sum of \$625. A cheque for \$607.50 was sent to

the Athabasca Lumber Co. and the League is now almost out of debt.

Mr. Don Corse is now working for the Alberta Government Vendor at Lac la Biche.

Lightning has struck telephone lines both east and west of Grassland, causing some delay in service, but so far Grassland itself has been spared.

Mrs. Schendzielorz left by bus Monday to bring home daughter Carol, who has been in hospital in Edmonton for a few days.

Mrs. Ira McKenzie is in hospital in Lac la Biche, and may have to undergo an operation.

Some grading is being done in the hamlet in order to provide better drainage on the main street.

Mr. Wansuski, of Redwater, is staying with his daughter and

Perryvale News Briefs

Miss Jey Ward, who has been holidaying at home here, has returned to her position in Edmonton.

Mr. Vernon McCluskey, who is working at Legal, visited at the home of his mother, Mrs. E. McCluskey.

Mr. Blake Wilson, who is still taking treatment for polio, spent a few days at his home here.

Miss Pat Fraser of Gibbons, is

son-in-law, Mr. and Mrs. Stepaniuk, while breaking land on his farm north of Grassland.

visiting with Mr. and Mrs. P. Ward here.

Melvin Rein of Leduc is visiting with relatives here. Melvin also attended the Anglican Church camp at Baptiste Lake with his cousin, Gary Potts.

Mr. and Mrs. J. Thomas and family, who moved here from Sundre, Alberta, have left to take up residence in Meanook.

Mr. Dennis Banack and Mr. Gordon Ferguson, of Camrose, visited at the home of Mr. and Mrs. L. Banack.

Congratulations to Mr. and Mrs. S. Drozdak (nee Katie Mynio) on the occasion of their recent marriage.

Reforming the human race is quite a job, especially for one person.

**Marvelube
GREASE "0" and "1"**

Marvelube is a tacky, gun grease, formulated to cling to metal surfaces. It's soft enough to be forced through closely fitted machinery parts yet it has enough body for full protection.

Marvelube grease is the accepted standard of high quality among Western farmers. Regular servicing with Marvelube Grease "0" when it's cold — Marvelube Grease "1" when it's hot, cuts wear to minimum — prolongs farm equipment life.

EFFECTIVE TRACTOR USE INCREASES FARM PRODUCTION

The modern tractor is the heart of mechanized farming and is the key to lowering production costs. To be an economical unit, it is essential that the tractor be used for at least 350 hours per year. Thus the selection of a tractor of the type and size best suited to your farm is most important. Additional jobs can be found for the tractor by adding other attachments.

If your present tractor does not meet your needs, obtaining one which will do the work more quickly and economically will pay. Buying a tractor means making a substantial investment.

Should you lack cash for this purpose, a Farm Improvement Loan for as much as two-thirds of the value of a tractor may be obtained from your local Imperial Bank. Simple interest at the rate of 5% is charged and you have up to three years in which to repay the loan.

Your Imperial Bank Manager has considerable experience with farm loans and will be glad to talk over your financial requirements. Drop in and have a chat with him.

Two Remaining Issues

In the last week of the 1953 Federal Election Campaign there remain but two issues for the consideration of Alberta voters.

The first issue is of national magnitude. Will the Canadian people return the St. Laurent government to office with an overall majority, able to continue sound, stable, progressive government?"

There is an alternative to this outcome at the polls on August 10th. Enough candidates of other parties could be elected to have more seats in the aggregate than the Liberals. That would make for unstable government, such as exists in France where no party has been able to get a complete majority over all other parties for many years.

Strangely enough, this sorry spectacle is one advocated by our Alberta Premier, Hon. E. C. Manning. It is not good advice to the electors of this province, or for Canada, and it is not a condition Mr. Manning would like to be faced with in the Alberta legislature.

The second issue is a local consideration for each Alberta constituency. It is this: Should we send as our representative to Ottawa a member of the Liberal Government, able to take active and constructive part in the formulation of Government policy, or should we send an opposition party member? It is better for the people of this constituency to be represented in Parliament by a member supporting the Government, and the only party that can possibly form a government after August 10th is the Liberal party.

We are in favour of sound, stable government, and believe that by its record and achievements, as well as by its future prospects, the Liberal government of Rt. Hon. Louis St. Laurent is worthy of the support of every voter.

Get Out — and Vote!

This is the last week of radio broadcasts, party speechmaking and publication of newspaper and pamphlet advertising on behalf of this candidate and that in the current Federal election campaign.

The party workers, radio, press and candidates have done their best to present their issues of this election campaign to the people who are to make the decision. Now it is up to the individual man and woman to make a solemn promise to be at the polling booth in plenty of time on Monday, August 10th.

We live in a wonderful country. We are the second most prosperous nation on the face of the earth. We have a measure of freedom unparalleled by any other country. We have a right and an obligation to take a hand in shaping the future course of our country.

Let's all get out and vote on Monday next.

Japanese and Canadian Agriculture

It is good sometimes to compare the bountiful things we have available in our own country with those possessed by others.

Japan, for instance, has just issued a handbook describing her agricultural resources. Japan, it appears, with eighty million people has only fifteen million acres of cultivated land, or .18 of one acre per person.

The average size farm is two acres only.

Very few farms are as large as seven acres.

Compare this with Canada where fifteen million people have eighty-two million acres of cultivated land, an average of 5½ acres per person.

The average Canadian farm has 132 acres of cultivated land. The Japanese have very little grazing land and so very little livestock, but they have the greatest catch of fish in the world—four and one-half times greater than any other nation. Their fish supplies them with the protein and vitamins that we obtain from livestock, poultry and dairy products.

Japan has to import vast quantities of rice, wheat and barley to feed her people even on a most modest diet, so she has to try hard to sell her manufactured goods on the markets of the world to obtain foreign exchange with which to pay for imported foods.

Japan purchases wheat and barley from Canada.

Suez Danger Zone

Observers of world affairs have often expressed the view that costly and aggravating as the Korean War is, it stands to be only a side-show affair compared to the potential war threat in the Near and Middle-East.

For generations the British have controlled the Suez Canal zone but revolution in Egypt has awakened a new national spirit that may well grow and strengthen enough to start a war calculated to take over control of the Suez Canal.

Not only the British countries would disapprove of this eventuality. All countries hold dear the Freedom of the Seas and any threat to free passage of the world's shipping through the Suez Canal would be treated with grave concern.

General Naguib who has dethroned the Royal Family of Egypt and banished them has the key to the situation, but like the silent sphinx and the age-old Pyramids he isn't talking. He's a man of action, though, and any day might see an eruption in the Suez Canal region that will be a greater threat to world peace than has been the fighting in Korea.

1953 Election To Cost \$7,000,000

According to a report released by the Canadian Press in Ottawa, it's going to cost a record amount to run the August 10 election and the current campaign perhaps around \$7,000,000.

Of this, some \$5,500,000 will come out of the public treasury. The political parties and their supporters will spend \$1,500,000 more.

By far the biggest amount will be the official cost of the election and the preliminary work, which will be up from the \$4,250,000 figure of the 1949 voting. This is because there are additional constituencies and unit charges for almost every kind of electoral work are up.

On the political side, party spending is hard to pin down, but rough and unauthorized guesses are that the Liberals and Progressive Conservatives will spend around \$600,000 apiece or more—the Liberals quite a bit more—and the CCF between \$200,000 and \$250,000. The Canadian Congress of Labor probably will throw about \$20,000 into the CCF pot. The Social Credit group will spend a relatively modest sum, amount unknown.

Spokesmen for all groups say it is impossible to determine now how much each will spend. Apart from national budgets—in some cases the smallest part of the spending—there are expenditures by provincial and local organizations and by the individual candidates.

Aside from the political spending, costs are up all along the line in the normal government job of running an election. The expense of enumerating each elector is up, and the number of electors also is higher to an expected record of some 8,500,000.

It costs more—\$12 as against \$9 in the last election—to hire a deputy returning officer for the day. There are 50,000 of these.

The rental for about 50,000 polling stations at \$32 per station—including the cost of space and other fees—will be up about \$400,000.

An additional expenditure not counted up in the 1953 election cost is that of the office of the chief electoral officer, Nelson Castonguay, which will be about \$320,000. He works between elections but at election time expands his staff to about 60.

Note and Comment

The true purpose of education is to cherish and unfold the seed of immortality already sown within us; to develop, to their fullest extent, the capacities of every kind with which the God who made us has endowed us. — Anna Jameson.

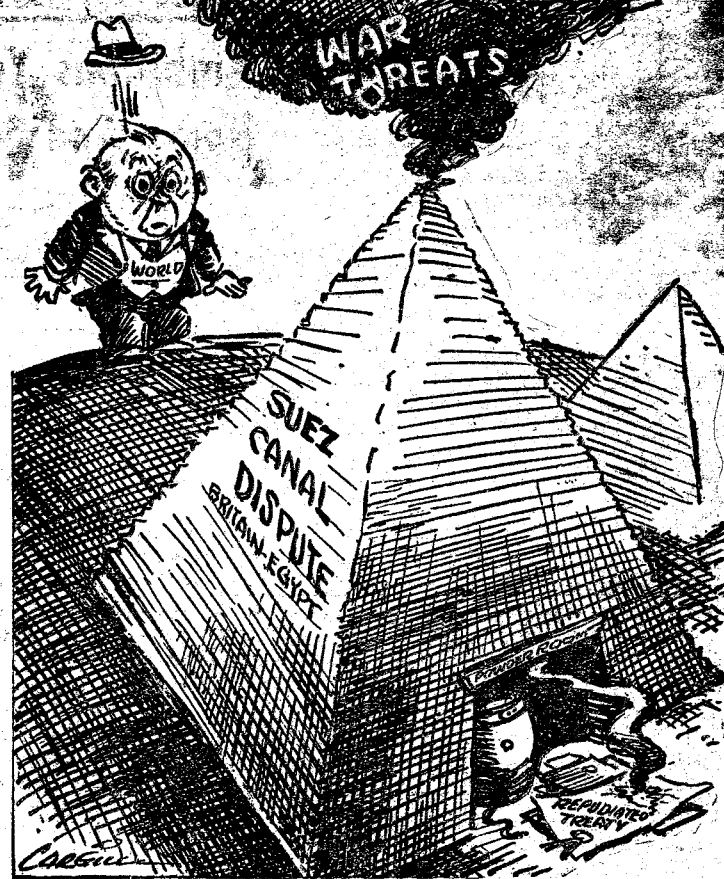

Not only to say the right thing in the right place, but far more difficult is to leave unsaid the wrong thing at the tempting moment.

The Bible Today

Know ye not brethren, (for I speak to them that know the law), how that the law hath dominion over a man as long as he liveth?

—Romans, VII: 1.

MAN-MADE VOLCANO

LIFE'S LESSON

I had a tiny little grudge,
I held it close to me
Until it grew a hundred fold,
And fed my misery.
It crowded out that part of me
That charity contained,
And when at last I threw it off,
The scar of it remained.

I had a tiny little grudge,
I threw it far from me,
And filled my mind with better thoughts,
Of love and charity.
And every day was sunny,
And every hour was bright,
I'd learned life's oldest lesson,
Two wrongs don't make a right.

GASOLINE PRICES

The Farmers' Union of Alberta is much concerned over the recent increase of 1½c in gasoline prices put into effect by the oil companies last week.

This increase will add materially to the cost of farm operations at a time when the price of most farm products is sharply lower and the trend is definitely downward.

We are not convinced that there is any need for higher gasoline prices in an area such as Alberta where we are producing our own supplies of crude oil. The argument that prices must advance here because of a price increase of crude in the U.S.A., or at Sarnia, sounds like nonsense to us.

We have communicated with the Imperial Oil Co., protesting the increase and asking for a full explanation. At the time of the increase the oil companies apparently considered that the public was not entitled to any explanation.

We have also written the Provincial Cabinet calling their attention to the seriousness of the situation. Since the Provincial Government has the power to fix prices and also full control over our natural resources, we contend that they should take some action to safeguard Alberta gasoline consumers. We are asking for an immediate investigation into gasoline prices followed by action.

When Alberta's resources were developed to the point of making us self-supporting, we were assured

ed that we would benefit by lower prices for gasoline. Instead of that we have had a series of price increases of which last week's is only the latest. Apparently the oil interests think they can get away with murder in this province. It is time to call a halt.

HENRY YOUNG, President
Farmers' Union of Alberta.
10128 98 Street,
Edmonton.

Favorite RECIPE

Chocolate Marshmallows

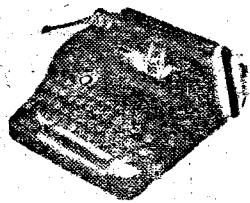

- 1 cup marshmallows
- 2 cups sugar
- 2 squares chocolate
- 1 tablespoon butter
- 2/3 cup milk
- 2 tablespoons corn syrup
- 1 teaspoon vanilla
- A pinch of salt may be added.

Boil sugar, grated chocolate, syrup and milk, very slowly until soft ball stage is reached, 238 degrees F. Do not stir after sugar is dissolved. Add butter and let cool a little. Add vanilla and beat until smooth and creamy, cut marshmallows into quarters and put on the bottom of the pan before pouring on fudge. Then pour on the fudge, in a greased pan. When nearly cold, cut into squares.

For this fine recipe on "Chocolate Marshmallows" we are sending \$1.00 to Lily Wolodka, Seba Beach.

LETTER TO LOUISA

Ambitious Youth Wants To Leave Home And Seek Career Elsewhere

Dear Louisa:

I have just quit school so I can give full time help to my father on the farm. Dad is in poor health and not able to do much heavy work. My step-brother, who is several years older than me, should have done the work but he can't be depended upon and often causes scenes at home and then goes away for long periods.

We all have to work hard, even my younger brothers, but Dad still practically worships his first son even though he frequently leaves home because of family arguments.

My brothers and myself as well as our little sister never have enough clothes to be decently dressed. Mother is worn out from hard work and raising nine children. Dad now says he won't let my step-brother come home but I'm afraid he might. Dad says he'll will everything to his first son. I'd like to get out and earn my own living. What do you think?

—Fed Up.

Answer:

Well, Fed Up, undoubtedly there are a lot of things at home that aggravate you and you are now reaching the age when you could step out and get a job where you can earn your own money, be independent and send money home to your parents.

If you like farm work, I'd strongly recommend you hire yourself out to other farmers in other districts. Learn all you can about farming in other places while at the same time you earn the monthly wages that will make you independent and enable you to buy your own clothes.

If you don't like farm work, you should consult the National Employment Service in Edmonton for job opportunities, particularly where you can learn a trade as an apprentice.

When you are old enough you may be able to join the Canadian Army, Navy or Air Force and make a career for yourself.

When you leave home to seek outside employment, tell your folks where you're going and write home frequently. Your opportunity to make the break would be when your step-brother returns, at which time you can tell your father that as his older son has come back he won't need you. Don't be afraid of going out on your own. Alberta is a big province with plenty of opportunity for a young man like yourself willing to work.

LOUISA

Huge Chemical Plant At Edmonton Starts

EDMONTON, (BUP) — The mammoth Canadian Chemical Company plant, just east of Edmonton produced its first bolt of finished yarn recently and engineers are hard at work, ironing out wrinkles and putting all equipment in capacity working order.

Officials say production will increase every day, until the plant's ultimate capacity, 15,000,000 pounds of filament and staple fibre per year, will be reached in about three or four months.

To date, only two of the 10 giant yarn-spinning machines are in operation. About 400 persons are employed, but between 700 and 800 will be working in the plant when full-scale operation is reached.

The chemical plant is an entirely self-contained unit, having its own power plant and pumping plant to take water from the nearby Saskatchewan river. It also has its own fire station, first aid centre, cafeteria, and a 25-man safety crew to prevent accidents.

Even to enter the inner gate with a company engineer, the visitor must sign for a badge. Before entering the yarn building, he must remove all matches from his pockets. "If the stuff ever caught fire, it would blow the plant sky high, an official explained.

The plant will produce scores of chemicals, including synthetic methanol, used as an anti-freeze; propanol, used in brake fluids; calcs. and acetic acid and acetone, used by the plant itself in the manufacture of the synthetic yarn.

Windsor Man Is Last Casualty Of War

OTTAWA — The army announced that Tpr. James Murrill Nickerson of Windsor, Ont., was the last Canadian casualty of the Korean war.

He was wounded in battle July 26.

Nickerson was attached to "A" Squadron of the Lord Strathcona Horse.

It brought Canadian casualties in Korea to 1,509, of which 1,502 were sustained by the army.

PRIME MINISTER PROUD TO RECEIVE \$40.00 OLD-AGE PENSION

CHICOUTIMI, Que. — Prime Minister St. Laurent, silvery haired and 71, said here he was "proud" to receive the old-age pension every month and told critics he feels "just as alert and vigorous" as ever as he guides the Liberal party through the election campaign.

The prime minister's Irish-French wit was sharp as he spoke to an outdoor meeting here which climaxed a long day in the Lake St. John region. He spoke at four communities and to small groups at numerous points along the way. "I'm proud to receive my old-age pension cheque (of \$40) every month," Mr. St. Laurent said in tribute to government social security measures. "And every Canadian who does so should feel that same way."

Old-age pensions cheques are mailed to everyone 70 years and over and to the needy between 65 and 69.

He said anyone who thought he was too old to be prime minister should have followed him during the past four weeks of the campaign which have seen him barnstorm the nation from coast to coast in trains, planes, cars and boats.

"I feel just as alert and vigorous as I've ever felt," he said.

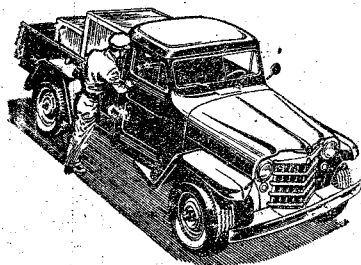

Gas, Oil Rights Sale Set For August 18

EDMONTON (BUP) — The Alberta government said Tuesday that one of the largest sales of petroleum and natural gas rights to be held in the province has been set for August 18.

The sale of rights, on thousands of acres of land in north-central Alberta, will be held at the Natural Resources Building in Edmonton.

No tenders were received for Tuesday's sale of petroleum and natural gas reservation rights in the northern section of the province. The rights covered about 617,000 acres in the Buffalo Head Hills district, about 250 miles north-west of Edmonton.

Colinton News Briefs

The Athabasca Elks held a very successful baseball tournament on July 29 and 30. Wandering River won out over Athabasca with a score of 4-2 for first place. Third place was won by Lac la Biche in a very closely contested game with Fairhaven, the score being 7 to 5.

Mr. W. O. Lewis left Athabasca last week for Lac la Biche where he will be in charge of the Government Liquor Store while head man there is on holidays.

Mr. and Mrs. Everett Reid left Colinton last week after a months visit with their aunt, Mrs. T. Jones and with other relatives and friends in the district. Mr. and Mrs. Reid

plan to motor to Alaska before returning to their home in Seattle, Washington.

Mrs. Pernie Brundridge is in Athabasca Hospital recovering from a heart attack which she suffered at her home last Saturday.

Vera Staniford has been home on leave from her duties with the RCAF, W.D. Vera is at present stationed at Vancouver.

Mr. and Mrs. Gordon Mitchell and three daughters from Red Deer, Alta., spent several weeks here renewing acquaintances.

Mr. and Mrs. Reid Roxborough holidayed at Baptiste Lake recently. Mr. and Mrs. Roxborough have moved from Vermilion and are now making their home in Edmonton.

Rain Slows Road Building

EDMONTON — Alberta's highway construction program is far

FARMERS AND RESIDENTS IN THE ATHABASCA CONSTITUENCY

This is R. J. PHILIPZYK, the C.C.F. candidate for Athabasca, speaking to you.

LADIES and GENTLEMEN:

I hope that you will not be disappointed with my short message but I have no promises and criticisms to make. I believe that the people are tired of listening to Election Promises, which are seldom fulfilled after the election is over; and candidates that are running down other parties. I believe in using my time to some advantage where I may be able to help my people solve their problems.

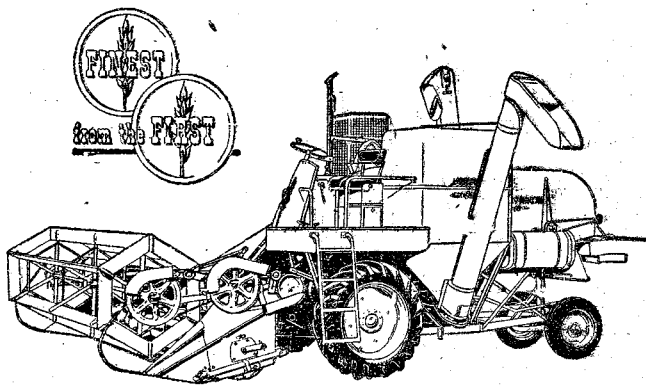

There is only one promise I will make to the people in the Athabasca Constituency and that is if I am elected on Aug. 10 to represent them in the House of Commons in Ottawa I will return to my people and hold several meetings in various parts of this constituency and let the people present their desires and their problems to me and I will do everything in my ability to help them have their wishes fulfilled.

I believe that the C.C.F. has a very good policy to help the farmers and the working people in this country. I know that the C.C.F. has always fought to help the farmers and workers enjoy a better standard of living in this country. That is why I am a faithful believer in the C.C.F. party. You should know what the other parties are. Give the C.C.F. a chance.

Vote C.C.F. on August the 10th. Thank you.

Published by the Athabasca C.C.F. Federal Constituency.

BUT CAN IT BE FOUND IN THE BIBLE?

People often indignantly demand that Catholics prove their teaching from the Bible.

The Bible is their "rule of faith"... and they argue that every man has the right and ability to discover for himself, by his interpretation of the Bible, what he must believe and do in order to be saved.

We do not question the sincerity of these people and we applaud all who strive earnestly to understand and observe the Scriptures. But — are they right in calling the Bible, privately interpreted, the sole source of Christian teaching?

"Hold the teachings that you have learned," wrote St. Paul, "whether by word or by letter of ours" (2 Thess. II:15). He refers to Christian teachings, some oral, some written... and demands that all be received.

Christianity did not begin with the Bible. It began with the coming of Christ. The Lord instructed His Apostles to "go forth... teach all nations" — and to insure that His truths would always be maintained, Christ established His Church, "... the pillar and mainstay of the truth" (1 Timothy III:15).

The last part of the Bible... written by St. John... was not completed until 60 years after the Crucifixion of Christ. There was no Bible in anything resembling its present form until nearly 400 years after Jesus had died on the Cross. And the widespread distribution of the Bible as we know it today was impossible until the invention of printing, some 1400 years after the Savior's death.

By what "rule of faith" did the

millions of Christians live during those 1500 years?

The answer is, of course, that the teaching of the Church was the rule of faith for the Christian world. And St. Paul reminds us that Christianity consists of "one Lord, one Faith, one Baptism" (Eph. IV:5): "God is a God of peace, not of disorder," St. Paul said further (1 Cor. XIV:33).

Yet today we have nearly 300 different religious denominations, all calling themselves Christian... all professing the Bible as their rule of faith... and all differing to some extent or another in their understanding of what the Bible means. Could Christ have left a "rule of faith" that would permit such confusion? Would He have left the interpretation of His Word to the fallible and changing judgments of men — when our very souls depend on a correct understanding and observance of the things Christ has taught us?

FREE — Because this question is all important... because it certainly does matter what a man believes... we invite you to examine the rule of faith of the first Christians — a rule that is still maintained by the Catholic Church. Because the Bible is God's Word, and because He gave it to us for a purpose, we invite you to see what this purpose is. We have an interesting pamphlet on the correct use of the Bible, and we offer it for the inspection of all who are sincerely interested in following the teaching of Christianity as Christ revealed it. Ask for Pamphlet No. 13 — KC.

Rochester Pee-Wees Capture Trophy

ROCHESTER—July 23 was a day for the Rochester Pee Wees to remember. They regained the shield after winning over Perryvale.

The first play-off game was played at the Rochester grounds on July 7. Rochester defeated Perryvale by a score of 5 to 2.

The second play-off game was played at Perryvale on July 12. Perryvale was victorious over Rochester, the score 3 to 2. The third and deciding game was played at Athabasca on July 23. This game was scheduled to have been played on July 19, but was rained out. Rochester won the last game by a score of 10 to 3.

This is the second time Rochester had the shield in their possession.

In the year 1951, (first year of shields existence) Rochester defeated other teams to bring the shield home.

In 1952, Colinton defeated Rochester to take the shield to Colinton.

This year the Rochester team have done it again. Good work boys.

Other teams which they defeated during the playing season were Athabasca and Colinton.

The players are: James Bloemer, pitcher; Alastair Finlayson, catcher; Ken Germundson, first baseman; Andy Andrich, second baseman; Charlie Shopland, shortstop; Walter Balay, third baseman; Duane Gerlach, right field; Eddie Nimco, centre field; Arnold Gerlach, left field.

Congratulations go out to the manager, Mr. G. Mack and to the ball team.

Plamondon News Briefs

John Genoud's little girl, Joyce, aged nine years, is back home again after spending over a month in an Edmonton hospital where she received treatments for extensive burns. She was playing on a pile of brush-cutting that had been set on fire last fall, when she fell through into smouldering ashes and very seriously burned one leg and thigh.

A son was born to Mr. and Mrs. Roland Plamondon.

Louis Chevigny and family are moved back in their home town once more. They have purchased

Mr. Raoul's place by the lake from Mr. Owen Bigelow. Owen and family are moving to Wimburn in the fall.

For the past two weeks, men have been busy at work, painting the inside of our church. It's all white, with a grey floor and varnished pews and wainscoting. It really looks very nice, now that it's finished.

"I'd like to say this to all Canadians..."

UNDER a Liberal government, Canadians have added every year to the national strength and national unity of Canada;

We have had the greatest expansion of social welfare in our history;

We have increased our employment, our production and our national income every year;

We have had the greatest expansion of our primary and secondary industries—truly an industrial revolution;

Because of the outstanding contribution of the members of our Navy, Army and Air Force, we have been able to do our full share to prevent and to stop Communist aggression;

We have reduced the national debt every year, and, in the last two years, reaped the reward in lower tax rates.

Do we want all that to be continued?

Do you really think it's time for a change?

For a change to a Parliament of regional groups—a handful of Social Crediters from the Far West, a few Socialists from the Prairies, a few more Conservatives from Ontario or the Maritimes and some so-called Independents from Quebec?

In such a Parliament without the leadership and responsibility of a united national party, how could the government help being weak and insecure?

Do we want a weak and divided government to deal with the formidable problems of the next few years? I ask you, IS it really time for a change?

We believe most Canadians want a government which encourages enterprise, promotes trade and fosters the exploration and development of our resources; and you know it as well as we do, that requires balanced budgets, paying off debts in prosperous times and a tax structure which, while fair to all, is adequate to meet these demands.

\$1 for— EMBARRASSING MOMENTS

The Editor will pay \$1.00 for every item published on "The Most Embarrassing Moment of My Life". To qualify items must be true personal incidents. Address: "Embarrassing Moments," P.O. Box 4430, South Edmonton.

One day when the grade nines were taking up community economics, the teacher gave three of us girls an assignment. The assignment was to draw a plan of the dining-living room. I happened to draw a dining-living room with walls to separate each room which was disagreed to by the teacher. He said to make it all in one room. So I said, "So you want a separation, huh?" Much to my embarrassment all the class started to laugh at me.

H.E.H.

Ranfurly.

While walking up the street one day with my small son, we saw a woman coming towards us dressed outlandishly. My son said, "Oh, Mamma, doesn't she look awful?" I hastily whispered, "Hush, dear, maybe she likes her clothes." By this time the lady was just passing and my son said, "I mean her face looks awful."

THE LIGHTER SIDE

Alike

"Whenever I see you I think of Jones."
"But I'm not a bit like Jones."
"Yes you are. You both owe me \$10."

Two Kinds

"I want to take out some insurance."
"Fire or life?"
"Both. I have a wooden leg."

His Comeback

Judge—Ignorance of the law is no excuse.
Prisoner—Well, no; but it's kind of a certificate of character, isn't it?

Chip Off The Block

Visitor—What will you do when you are as big as your mother, Joan?
Joan—Oh! Reducing exercises, I suppose.

Not So Good

His Rich Aunt—And what has brought you to town, Reginald?
Nephew—Just to see the sights, Auntie, so I thought I'd call on you first.

Living Up To The Audience

An English actor received a rebuke from a director.
"but all you English drop your aitches, don't you?"
"Good gracious, no!" the Englishman responded.
The director pondered a moment and then said, "Well, drop 'em anyhow. The guys on this side expect it."
"Go on," drop your aitches, can't you?"
"I'm supposed to be acting the part of a British peer," argued the Englishman.
"I know that," said the director,

Which One?

The busy executive asked his secretary where his pencil was.
"Behind your ear," she replied.
"Come, come," snapped the big shot. "I'm a busy man. Which ear?"

Practical Course

Daughter: "Yes, I've graduated, but now I must inform myself in psychology, philosophy, bibli—"
Practical Mother: "Stop; I have arranged for you a thorough course in roastology, boilogy, stichology, domestic hustleology."

Der Ain't

"How many times have you been arrested?"
"I'm sorry, Judge, but I've lost count. Der ain't anybody offerin' a prize, is der?"

Quick Canadian Quiz No. 126

1. In net value of production, what industry leads in Canada: agriculture, forestry, fisheries, trapping, mining, electric power, manufactures or construction?
2. Quebec farmers earn their largest cash income from the sale of what class of products?
3. Which is the largest all-Canadian lake?
4. How long will it take Canada's population to reach 35 million without immigration?
5. What percentage of Canada's known hydro-electric resources are now in use?

ANSWERS. 5. Less than one-quarter. 3. Great Bear in the N.W.T. 1. Manufactures, three to four times the value of agriculture, which is second. 4. More than 50 years. 2. Live stock and poultry; dairy products rank second.

Builders Seek Cheap Cement

EDMONTON — Roadbuilders in Alberta are experimenting with soil cement to find a cheaper, more efficient method of building highways that will stand up under heavy traffic.

Highways Minister Gordon Taylor said that asphalt and sand will be used as the base course over two miles of road, instead of the present asphalt and gravel base. Two miles will have a base mixture of soil and Portland cement.

ALBERTA TUBERCULOSIS ASSN. HEAD OFFICE MOVING TO CAPITAL

The Alberta Tuberculosis Association will shortly move its provincial office to Edmonton, it was announced today by D. W. Robertson, president.

The Association is intimately associated with so many departments of Mrs. F. Smeltzer last week.

Mr. and Mrs. D. F. Miller and family spent the week-end at the home of the latter's parents, Mr. and Mrs. W. C. Barnes of Ministik. They also visited Mr. and Mrs. G. A. Stannard on Sunday night.

Lots of fun is anticipated at the Wye Hall on Friday, when a panel of five people will endeavor to guess in 20 questions subjects submitted for this event. Mr. D. Missal will be emcee.

Movements of the provincial and federal governments and the University that the move has been found necessary, Mr. Robertson said. When Dr. A. H. Baker was director of the tuberculosis division of the provincial department of

health, his headquarters were located at Central Alberta Sanatorium in Calgary, and for that reason the TB Association office was established in Calgary.

Dr. Baker retired, however, in 1951, and the present director of the TB division has his headquarters in Edmonton, which fact was largely responsible for the decision to move. Moreover, the Association has frequent occasion for consultation with the department of welfare, the Indian Health Services, the Canadian Vocational Training Plan, the School of Nursing, the School of Medicine, the Department of Physical Education, and many other important departments located in Edmonton.

The activities of the Association are expected to increase, and the efficiency of all operations should be improved as a result of the move, Mr. Robertson said.

Colinton Resident Given Farewell

Mrs. Charles Maiers, old time resident of Colinton and district has left to take up residence near her daughter at Waterways. Before her departure, Mrs. Maiers was guest of honor at a farewell party. After tea, the guests were entertained by several song and dance numbers by Sharon Talpash, Shiela Griffiths and Barbara Hay, accompanied by Mrs. Day on the piano. Gordon Mitchell gave several violin selections accompanied by Mrs. Day at the piano. Then the guests joined in a sing-song. Mrs. Puylaert, on behalf of the ladies of the community then presented the guest of honor with an electric tea-kettle. Mrs. P. Flynn also presented the guest with a gift as a token of remembrance from the Catholic Ladies' Altar Guild. The very enjoyable but touching afternoon was brought to a close by the singing of "Auld Lang Syne" and "For She's a Jolly Good Fellow."

Willow Ridge News Briefs

Mr. and Mrs. Geo. Russel of Vancouver spent a few days with Mr. and Mrs. D. Nicolls. Other guests now visiting at their home are Mr. and Mrs. B. Nicoll and family of Ferintosh.

Mr. A. McGowan of Edmonton was a week-end guest of Mr. and Mrs. W. Gerup.

Mr. and Mrs. R. S. Benham and family motored to Canyon Creek.

Mr. Geo. McArthur of Devon spent Sunday at the homes of Mr. and Mrs. S. Speers and Mr. and Mrs. Wm. Speers.

Mrs. M. Third spent a few days in hospital.

Best wishes are extended to Mr.

and Mrs. S. Drasdok, nee Katie Myrco, who were recently married.

Mr. and Mrs. R. S. Benham, Joan and Dale drove to Edmonton to attend the wedding of Miss Prescilla Lineker, Mrs. Benham's niece.

OVER ONE HUNDRED DELEGATES ATTEND A WI CONFERENCE

On July 30, at 12:30 p.m., more than one hundred women gathered at the Dr. Swift School for the annual conference of the AWI. Delegates, members and guests were present from Abbe, Boyle, Lac la Biche, Meanook and Newbrook.

A banquet was served at 12:30, and commenced with the singing of "Be Present At Our Table Lord". Mayor L. G. Hall gave the after-dinner address, which in his usual style was most interesting and amusing. He commended the ladies on their beautiful display of handiwork and encouraged them to further carry on their good work.

After the dinner, ladies convened into the conference room, where the conference was officially opened by the singing of O Canada, and the reading of the Creed. Mrs. Coast welcomed the delegates, members and guests, to which Mrs. Elashuck of Newbrook replied. Mrs. Lee, constituency convener, then took over as chairman for the session. Mrs. J. Zaluzny presented a corsage of roses to Mrs. Loye, secretary. Mrs. J. Jones, director of District 2, Mrs. Lee, constituency convener, and Miss J. McCutcheon, home economist. Mrs. Lee thanked the ladies of Lac la Biche for their thoughtfulness.

Mrs. Lee read the financial report. Miss Beuhla Quast reported on the Girls' Club. Branch reports were read by the following: Mrs. Greenfield for Abbe; Mrs. Smith for Boyle; Mrs. Proctor for Lac la Biche; Mrs. Parr for Meanook; Mrs. Pollard for Newbrook.

Reports of the Standing Committees: Mrs. Parr, Agriculture and Canadian Industries; Mrs. Strong, Citizenship; Mrs. S. Hamar, Handicrafts; Mrs. Nuttycombe, Home Economy; Mrs. Pollard, Health and Education; Mrs. Thompson, Social Service.

Mrs. Jones, who was re-elected for another two-year term at the Provincial Convention as Director of District 2, gave her address.

She stressed the importance to the ladies of building a happy home and to show kindness and tolerance toward one's neighbors. Brought to the attention of all present how memorable this year was in the work of the WI, with the Coronation of Her Majesty, Queen Elizabeth II, one of the WI members. Discussed in full the value of listening to children's programs and school broadcast, and helping the children understand them thoroughly. To take a better interest in the Consumers' Association, and if there are any com-

(continued on page 12)

Caslan News Briefs

Carl Lukasuk is home from the city after having his tonsils out. Mr. Michael Kowalchuk motored down from Edmonton for the weekend.

Mr. Alex Adazynski has gone out to look for employment.

Mr. Sam Johnston has returned home from an uranium prospecting trip in northern Alberta.

Due to the rainy weather the Caslan picnic was cancelled, much to the disappointment of the community.

The construction of Steve Cherniwchan's house, which is being built in Caslan, is well under way.

The picture show "Never a Dull Moment," which was held recently at the Caslan school, was well attended.

Mr. Philip Lafave of Noral is in Caslan relieving as foreman while Mr. Lukasuk is on holiday.

Mr. and Mrs. P. Warren of Hyla

were recent visitors at Caslan.

Mr. Wm. Gordy made a trip to Lac Ste. Anne.

We are waiting to see the three dimension curves Hollywood is now talking about.

FORD

How often have you admired a Ford going by ... admired the sleek beauty of its lines and the quick, responsive way it outpaces other cars in traffic? Perhaps you've said to yourself, "I'd like to get behind the wheel of one of those!" Well, your dealer extends a permanent invitation for you to do just that. Come in and test-drive Ford—then you'll see for yourself all the things that make Ford worth more when you buy it ... worth more when you sell it.

When you experience Ford's "Wonder Ride" you'll think you're driving a much bigger car—and a much more expensive one. And if you haven't got around to trying a V-8 engine before you're in for a thrill when you feel the smooth, eager power of Ford's great 110-Hp. Strato-Star. Admire the view as you drive along—it's clear and unobstructed, thanks to Ford's Full Circle Visibility. Notice how easily Ford handles, with Fordomatic*, Overdrive* or Synchro-Silent shift. Add up all the things you get in Ford that even more expensive cars can't offer ... and we predict you'll make the change that thousands are making—the change to Ford.

plants to voice them to the association and not to your neighbor. Passed a resolution to appeal for the abolishment of indecent illustrations in books, magazines and comic books.

Mrs. R. McIntyre was elected as education convener for the next year.

Mrs. A. Bothamley, 86-year-old member, oldest in this district, was introduced to the ladies.

Mrs. Jones finished her address with the reading of the Women's Rights—which, apart from being educational, was most amusing.

It was decided to accept the invitation of the ladies of Meanook to hold the next conference at Meanook.

Mrs. Prather of Abee expressed thanks to the ladies of Lac la Biche for the lovely dinner, and table arrangements. Miss J. McCutcheon, home economist, judged the handicraft displays and awarded top honors to Newbrook with a total of 299 points. Lac la Biche came second with 79 points, Meanook with 60 points, Boyle 48 and Abee 27. Newbrook is to be congratulated on their splendid co-operation in the handicraft field and well deserved the cup that was presented to them by Mrs. S. Hamar.

The lighter side of the conference was supplied by Mrs. A. Brinsmead, who rendered several vocal renditions in her usual inimitable style. Miss Dorothy

Hall rendered a lovely piano solo, and all the ladies joined in a community sing-song to help lighten the burden of the exceptionally warm day. The heat might have dampened many a brow, but it certainly didn't dampen the spirits of all the ladies, who seemed to more than enjoy themselves.

The conference was brought to a close with the singing of God Save the Queen, and the ladies adjourned to the banquet room for a luncheon before leaving for home. During the course of the luncheon a pair of pillowslips were raffled. These were hand-made by Mrs. Mary Sawchuck, and won by Mrs. Potts.

Dead Fish In Lake Endangers Water Supply

LAC LA BICHE — If you've walked along the lake shore recently you more than likely have been puzzled by the numerous dead fish that you may have seen lying around. Upon investigation, it would seem that this is not an unusual occurrence, but a little more prevalent this year. The cause is more generally known as summer stagnation—causing lack of oxygen—due to the low level of the water. The only answer to this is the building of a dam on

the Lac la Biche River to maintain supply of the town's drinking water, and unless the lake is sani-

A frequent re-occurrence of this fairly maintained could quite kind could quite easily damage the easily be condemned.

QUESTIONS

and

ANSWERS

about
Cancer

QUESTION: How does cancer kill?
ANSWER: Cancer kills by interfering with vital functions of the body. The patient may starve to death, bleed to death, be unable to carry out necessary vital activities because of interference with nervous control of these activities, and by many other means.

Write for free literature.
